Send Mail Bids to them or to Geo. E. Martin, representing the Breeders Gazette.

Address them the week of the sale at Stockyards Inn, Chicago, Ill.

N PRESENTING this catalog to the public we feel that we herein list a class of cattle such as are seldom offered for sale. The breeding is gilt-edged and the merit is in keeping with the blood lines of the offering. The thirty head from the Washburn herd includes all of the tops of this herd. All of the young animals are sired by the show bull MEADOW KING 2d, and are show material in any company. This sire has proved himself an exceptionally good breeder, and there are few bulls that can question his right to head the aged-bull class in any of the shows. He is a beautiful roan as are most of his offspring. The offering from Thaxton Farm includes a number of sons and daughters of the champion bull KING'S SECRET, a sire that has proved himself, not only a show-bull, but a getter of high-class individuals. All of the cattle have been tested by a representative of the United States Department of Agriculture and all have passed said test. Certificates of health will be furnished with each lot sold, and the sixty day re-test will be guaranteed to all who desire it.

Terms of sale will be cash unless those wanting time make arrangements for same before the animals are sold, which will be six months at six per cent interest.

All females of breeding age are bred and guaranteed breeders; those showing evidence of being in calf, or with calf at foot, will carry no further guarantee. All bulls sold as single lots are guaranteed breeders. These cattle are all properly insured for purchase price of each animal.

Respectfully,

JAMES BROWN,
CARPENTER & ROSS

A very sappy roan. Her dam is MAXWALTON ROAN LADY 2D—from the noted show cow MAXWALTON ROAN LADY. We believe this is as good breeding as was ever put in print, and this heifer has the merit to back it up—as did her dam and granddam, and we believe this is an animal that is worth five of the average heifers that are sold.
